

We welcome all types of toys for the children of Lutheran Social Services!

We ask that the toys:

- 1.) Can be used by children ages 0-12;
- 2.) Are new and unused OR gently used (these can be placed in our reception area for children to play with);
- 3.) Are fun and appropriate!

Different toys that we have received in the past include:

- Matchbox Cars
- Dollhouses
- Dolls
- Books
- Board Games
- Puzzles
- Remote Control Cars
- Building Sets and Legos

Thank you for your support!
